I heard Constance's phone continually ringing which awakened me and I saw that her Mom's number kept appearing. I hollered out for Constance but got no response. I assumed she had left and forgot her phone. Upon going to get a drink of ~~water~~ <sup>water</sup> I noticed Constance passed out and in a contorted position on the floor of the living room with a Meth pipe with substance in it beside her. With difficulty I awakened her, escorted her to bed, and took possession of the paraphenelia. Once she realized she had missed picking up her daughter for an important event she frantically began to get ready. She demanded to know where her pipe was and any drugs I had found. When I refused to give her the pipe she went ballistic hitting me in the face and trying to scratch at my eyes as well as kicking. I attempted to leave but she blocked my path claiming she would "have you buried if you don't give my dope back!" She became insane hitting me after I told her to stop assaulting me and I had to hold her arms back from the continued wild attack. I have never seen her act this crazy though she has been violent before. I crushed the pipe, flushed the drugs and told her I would call P.D. She quickly fled the scene. But she kept calling not wanting me to call P.D. as I told her I would turn in her dealer Havi 480-593-4718. She returned and I was able to calm her down and sit in her car to delay her, but she fled again upon seeing an officer arrive. She said, "I can't believe you called the cops you piece of shit!" and drove off with passenger door open.

### SUPPLEMENT NARRATIVE

I was assigned this case reference a family fight. I reviewed the report and saw that Jason Ready called to report that his girlfriend had been in an argument with him about her drug use. Jason said she scratched his face under his eye, but the red mark disappeared while the officer was speaking with him. Constance was not at the scene. I called the cell phone number for Constance and left a voice message for her to call me. Investigation continued.

### SUPPLEMENT NARRATIVE

On 03/11/2010 I went to Constance`s home to speak with her as I had been unable to contact her by phone. I left my business card on the door when she didn`t answer the door. At 1335 hours I received a phone call from Constance. I asked her about the incident on Feb 13, 2010 between Jason and her. She stated that it started out as verbal and escalated and she left. I asked what she meant by escalated. She stated that Jason assaulted her and threw her to the ground. She stated she had not scratched him as he has stated. Constance did agree that there were no other persons present.
